## WHAT IT IS

Run /last30days on a company, person, or topic before you meet them. 8 sources in parallel — scored by social signal. Never walk into a meeting cold again.

## WHAT WE NEED FROM YOU

- Company name or URL
- Person's name and company (if a person brief)
- Meeting date (so we prioritise correctly)

## WHAT YOU GET

- Executive summary (what's happening right now)
- Recent news and announcements
- Social signal scoring
- Suggested talking points and questions

## HOW IT WORKS

- 1 Submit the brief request
- 2 Lens runs 8-source real-time research
- 3 Results scored and summarised
- 4 PDF brief delivered within the hour
